### **What's New This Year**

In an effort to conserve resources we will be using email to send out the announcements for our dinner meetings. Please make sure your membership information is current.

You can indicate on the membership form the option of continuing to receive notification of these meetings via U.S.Mail.

### **Goals of CSSA**

- To improve communications among science supervisors, teachers, administrators and boards of education.
- To examine and evaluate curricula in science.
- To improve academic standards.
- To review, update and disseminate health and safety standards and procedures in science.
- To promote and conduct professional development activities for supervisors and teachers of science.
- To serve as a public advocate for science education in Connecticut.
- To represent the membership on state and national issues in science education.
- To act as a consultant and resource to state and local agencies on science issues.
- To promote research in science education.
- To cooperate with other professional organizations for the improvement of science education.
