Join CSSA/NSELA
by checking the Unified Dues line
on the membership application
and enclosing a check for the
appropriate amount.

Goals of CSSA

- To improve communications among science supervisors, teachers, administrators and boards of education.
- To examine and evaluate curricula in science.
- To improve academic standards.
- To review, update and disseminate health and safety standards and procedures in science.
- To promote and conduct professional development activities for supervisors and teachers of science.
- To serve as a public advocate for science education in Connecticut.
- To represent the membership on state and national issues in science education.
- To act as a consultant and resource to state and local agencies on science issues.
- To promote research in science education.
- To cooperate with other professional organizations for the improvement of science education.
